

Dear Volunteer Applicant:

Thank you for considering volunteering your time at Rising Hope Farms. To protect the safety and welfare of our students, animals and adults with special needs, Rising Hope Farms requires background checks on all employees and volunteers who work with our students or around the property.

Volunteers are an essential part of any therapeutic riding program, we strongly hope you will consider volunteering and grant us permission to conduct a criminal history background check; however, if you do not wish to participate because of personal reasons, we understand and respect your decision.

The following forms are required for anyone performing volunteer services at Rising Hope Farms.

- [Form 01 - Volunteer Information Form](#)
- [Form 02 - Emergency Medical Treatment Authorization Form](#)
- [Form 03 - Background Check Form](#)
- [Form 04 - Instructions to complete certifiedbackground.com](#)
- [Form 05 - Continuing Liability Waiver & Release Form](#)

Please email completed forms to: Gail Wartner gailwartner@bellsouth.net

You will be contacted once your background check is complete to schedule a time for training.

Once again thank you for considering volunteering your time to Rising Hope Farms!

Sincerely,

Gail Wartner
Owner and Operator
Rising Hope Farms
